Memo

To: Waste Reduction & Recycling Board
From: Pam Bowman, Communications/Recycling Coordinator
Date: January 7, 2016
Re: Wednesday, January 13, 2016 Agenda

1. **Call to Order.** The meeting will be called to order at 5 p.m. in the Committee Room (second level in Anoka City Hall).
2. **Roll Call.** I will record the names of those present at the meeting.
3. **Oath of Office.** The Oath of Office will be administered to Marijo Hain and Vicki Violet.
4. **Election of Officers.** At this meeting the Chairperson and Vice Chairperson will be elected. The protocol is that the current Chair calls for nominations; a second to each nomination is okay but not required; Chair asks for any further nominations; hearing none vote may be taken. If more than one person is nominated for any position then each nominee should be considered in order of nomination until a nominee obtains a majority vote for the full board. Following election, the new Chair will assume leadership at the meeting.
5. **Approval of November 18, 2015 Meeting Minutes.** I recommend approval with any corrections and/or additions. **(Attachment 1) Action: Approve minutes.**
6. **Old Business.**
 - a. **Approve 2015 Accomplishments & 2016 Goals.** Attached are your suggested 2015 accomplishments and 2016 goals, as discussed at the November meeting. You will vote on these and the final list will be shared with the City Council. **(Attachment 2) Action: Vote.**
 - b. **Holiday Lights Recycling Report.** We placed our sign at the Holiday in Lights event at the Anoka County Fairgrounds in hopes of increasing awareness of our collection at City Hall. While there is no way to measure results, our holiday lights collection continues to be strong at City Hall. QCTV also is doing a promotion for it. They came to City Hall to film the collection boxes and our sign. We have had weekly service from RAM and the three bins have been full or overflowing at the time of service. The program continues through January.
 - c. **Multi-Unit Special Electronics Collection Update.** I am in the process of scheduling two events for January/February with Tech Dump as the collector. I will report more details at the meeting. **Action: Update.**
 - d. **Climb Theatre Report.** Thank you to Member Call and her husband, Jim, for attending the early performance at Lincoln Elementary on December 1st with me. Attached is a thank you letter from Lincoln Elementary. Member Call can provide her feedback on the performance at the meeting. **(Attachment 3). Action: Discussion.**

e. **Can Collection Cage Report.** I visited the collection cage in mid-December. Attached is a photo showing the amount of cans at that time. We will continue to promote this collection through our communication channels. **(Attachment 4). Action: Discussion.**

7. **New Business.**

a. **2016 SCORE Funding.** We will review any SCORE information that is available by the time we meet; this will help with project discussions. **Action: Discuss.**

b. **2016 Marketing Materials.** The service calendar postcard from Republic Services was mailed to all households in late December and the new resident brochure has been updated. Both are attached. The spring edition of RAW will be mailed in April. If there are other marketing ideas you would like to discuss, please share your ideas. **Action: Discuss marketing materials. (Attachment 5)**

c. **Spring & Fall Recycling Events.** I am in the process of contacting vendors to provide quotes for the event. I will provide an update. We will also discuss the electronics destruction opportunity provided through Green Lights Recycling. **Action: Discuss.**

d. **Rewards Program Discussion.** Let's discuss the details of the rewards program. I have attached a sample "winner" letter for reference. **(Attachment 6) Action: Discussion.**

e. **July-December 2015 SCORE Report.** I am currently working on this report and will have the final report for you at your February meeting.

8. **Communications.**

a. **Monthly Service Log & Tonnage Reports.** The most recent customer log is attached. The attached spreadsheets include the tonnages from the most recent months. **(Attachment 7) Action: Discuss as needed.**

b. **2016 Meeting Schedule.** Attached is a draft of this year's meeting schedule for review. **(Attachment 8) Action: Review.**

9. **Miscellaneous.**

a. **Determine February 10, 2016 Meeting Agenda.** A draft agenda is attached. **(Attachment 9). Action: Review.**

10. **Adjournment.** Let's adjourn by 6:15 p.m., if possible.

**CITY OF ANOKA
WASTE REDUCTION AND RECYCLING BOARD
MEETING MINUTES – November 18, 2015**

CALL TO ORDER The meeting was called to order at 5:00 p.m. in the Committee Room of Anoka City Hall.

ROLL CALL Board members present: Chairperson Marijo Hain, Vice Chairperson Vicki Violet, Members Tim Aberwald and Jan Call. Absent: Member Cindy Thurston. Staff present: Pam Bowman, Recycling Coordinator. Others present: None.

APPROVAL OF SEPTEMBER 9, 2015 MEETING MINUTES: The October 14, 2015 meeting minutes were approved on a MOTION by Vice Chairperson Violet and SECOND by Member Call. All in favor, MOTION CARRIED.

OLD BUSINESS

Aluminum Can Cage Update. Ms. Bowman said as a follow up to the board member's discussion at the last meeting, she prepared a news release to local media and associated personnel on November 10th, regarding the construction and donation of the cage to Anoka High School. She said that personnel at Anoka High School would promote the collection internally to students, etc.

Fall Recycling Drop off Day Report. The members reviewed the spreadsheet Ms. Bowman provided which listed the materials tonnages from the fall event – a total of 5.894 tons so far recorded. Vice Chairperson Violet noted that the fall event received much less material than the spring event – the spring event receiving 23.34 tons. Ms. Bowman agreed and said the spring events typically receive more materials.

Ms. Bowman added that it is unfortunate that “NA” is included for some categories, such as household goods and furniture. She reminded the members that those items are no longer collected because the organizations that had been servicing the events, no longer offer service at events. She said she was, however, contacted by USAgain and they might be able to offer a collection of household goods in 2016.

Climb Theatre. Ms. Bowman reported that Lincoln Elementary was pleased to be contacted and to receive two performances scheduled for December 1st at their school. The two plays are Space Baby for K-2 (9:45-10:25 a.m.) and Project Earth for 3-5th graders (11-11:40 a.m.). A brochure for both of the plays was included in the agenda packet for members. Ms. Bowman encouraged members to attend either performance if their schedule allowed. She said she hoped to be able to attend to take some photos.

Anoka Halloween Light up the Night Parade. Ms. Bowman thanked Chairperson Hain and Vice Chairperson Violet for decorating the golf cart and participating in the parade. Chairperson Hain said she thought the sign turned out great (Recycle Holiday Lights at Anoka City Hall, Nov-Jan) and that it was readable in the night with the lights around it. Vice Chairperson Violet agreed. Photos of the decorated golf cart were included in the packet.

Anoka County Fair – Holiday in Lights Update. Ms. Bowman said she communicated with Dorna Helgeson from the Anoka County Fair Board and that Ms. Helgeson was in support of the collection at their event. However, Ms. Bowman recommended to the members that instead of holding an actual collection, she wanted to get more use out of the sign that was used in the parade. She suggested placing the sign at the Holiday in Lights event to encourage people to drop their old lights off at City Hall. She noted this may eliminate any confusion on the main collection site. Vice Chairperson Violet agreed and said the last and only time the lights were collected at this event is because it was included with the Beyond the Yellow Ribbon ceremony that was held in conjunction and the lights collection was included in marketing materials.

Members agreed to just have the sign placed at the event if coordinators approve. Ms. Bowman said she would make arrangements accordingly.

Electronics Event Collection. Ms. Bowman said she had not had a chance to coordinate another collection as anticipated. She asked the members if waiting until January would be okay. Chairperson Hain said that would work well. All agreed.

Holiday Lights Collection. Ms. Bowman reported that numerous bags were already received and picked up by RAM. She said the program is going well and is marketed through RAW, QCTV, city website, City View, and social media, with the addition of the potential to display the sign at the Holiday in Lights event.

Special Events Recycling Report. Vice Chairperson Violet and Ms. Bowman provided a report about the recycling efforts for the seven events under the tent during Anoka Halloween's annual celebration. Vice Chairperson Violet explained that most of the recyclables generated by the sales from the Anoka Lions' were collected; cardboard and bottles. Ms. Bowman said that although the containers placed around the tent for the guests were marked well with signage, there was a lot of contamination. She said unless there is a volunteer standing at each container, there is no way to ensure everything that goes into each is recyclable.

NEW BUSINESS.

2015 Accomplishments & 2016 Goals.

After discussion, the members agreed to the following accomplishments and goals:

2015 Accomplishments

1. Constructed and donated recycling collection cage to Anoka High School
2. Implemented recycling and/or organics collections at additional events
3. Increased multi-units electronics collection events
4. Enhanced promotion of holiday lights collection
5. Enhanced educational and promotional efforts

2016 Goals

1. Create multi-unit recycling improvement plan
2. Develop senior building recycling programs
3. Increase awareness of recycling in city parks
4. Expand opportunities for organics at special events
5. Enhance marketing and education efforts

Ms. Bowman reminded the members they would vote on these at the January meeting.

Marketing to Non-Recyclers. Ms. Bowman said she received a suggestion from a resident who asked that the WRRB consider ways in which to address non-recyclers individually and question why they are not recycling either via a mailing or some other form of notification.

The WRRB members discussed this in length noting that it would be difficult to pinpoint non-recyclers other than traveling each neighborhood on service days, or searching for a champion in each neighborhood to do the same and report to staff. After more discussion, members agreed they would rather focus on positive reinforcement, but should do more to reward those that are already recycling.

Chairperson Hain suggested bringing back the reward program where a random household is selected when “caught” recycling and receives a year of paid curbside recycling service. Members agreed to bring this program back. Ms. Bowman said she would include this item in the January agenda so the details could be worked through.

COMMUNICATIONS

Monthly Service Log & Tonnage Reports. The members reviewed the October service log and the October tonnage report. No comments.

MISCELLANEOUS

Determine January Meeting Agenda. The members reviewed the draft agenda for the January meeting. Ms. Bowman said she would amend it as needed based on this meeting’s discussions.

ADJOURNMENT

The meeting adjourned at 6:14 p.m. on a MOTION by Vice Chairperson Violet and SECONDED by Member Aberwald. All in favor; MOTION CARRIED.

Anoka Waste Management and Recycling Board
2015 First Avenue North
Anoka, MN 55303-2270

Dear Pam and Marijo,

Our students and staff deeply appreciated the performances by CLIMB Theatre on December 1. While our students know many of the facts about recycling, seeing the impact of both poor and good choices through the imaginative lens of theater helps make the facts more personal and meaningful.

In addition to the strategic audience participation and reflection that was built into the performances, the experiences are filtering into student learning. For example, I happened to drop in on a 4th grade classroom yesterday afternoon as they were discussing the composition of different kinds of plastic and why some can be recycled and other plastics cannot be recycled. In talking with 5th graders yesterday, I heard them making clearer distinctions between general recycling and the specific collection of compost waste materials.

We very much appreciate your sponsorship of CLIMB Theatre performances at Lincoln Elementary School for the Arts. We consider Lincoln a vital part of civic life in Anoka and are honored that you asked us to partner with you in presenting these performances.

Please thank all of your Board members as well!

Sincerely,

Michelle Z. Zimmerman

2016 CITY OF ANOKA RESIDENTS' GUIDE TO CURBSIDE RECYCLING

REPUBLIC SERVICES

REPUBLIC SERVICES® is your residential curbside recycling service provider.

City of Anoka residents receive curbside recycling service via an agreement between the City of Anoka and Republic Services® regardless of your garbage & yard waste disposal company. This agreement lowers the truck traffic by having a uniform recycling pick-up schedule throughout the City. It also provides convenient and easy to understand service. Republic Services® will pick-up recycling on your scheduled hauling day unless a Republic Services® recognized holiday falls on a pick-up day. In this case, recycling will be shifted one day later for that week. The schedule is listed on the back of this page.

WHAT IS SINGLE SORT RECYCLING?

Single sort means you can place all of your recyclable materials in one cart...no separating or sorting needed. Republic Services will do it for you at their own facility! Simply put all recyclable items (see chart on back) in your recycling cart. *It's that easy!*

SINGLE SORT ADVANTAGES

- Wheeled carts offer the ease of rolling it to the curb.
- Lidded carts protect recycling from the elements (wind, rain, snow, etc.)
- Most carts are labeled indicating what recyclable items are acceptable.
- This system limits hauler traffic in your neighborhood.

Refer to page two of this flier for acceptable recycling items, the recycling service schedule, and other contact information.

Questions on single sort recycling, service concerns, or to request a container, please call Republic Services at 952-941-5174.

APARTMENT RENTERS:
Please contact your building manager for the location of your building's recycling containers.

SINGLE SORT RECYCLING: THE EASIEST WAY TO RECYCLE!

Place items listed in the YES column into your single sort recycling cart.

Congratulations _____!

You are the winner in Anoka's quarterly recycling contest!

In an effort to reward citizens for their curbside recycling efforts, the City of Anoka Waste Reduction and Recycling Board (WRRB) has instituted an incentive program. On a quarterly basis, a section of town is selected and a WRRB board member randomly gathers addresses of homes that have recycling curbside. Those addresses are collected and a winner is drawn.

This month your name was drawn. As a way of saying thank you for your participation in curbside recycling, the Waste Reduction and Recycling Board will pay a one-time credit for one year's recycling charge (\$34.32) on your upcoming utilities bill from the City of Anoka.

If you have any questions, please feel free to contact me. Please spread the word to your neighbors on the importance of recycling. Thank you for doing your part.

Sincerely,

Pam Bowman
