YOUR RECYCLING SERVICE PROVIDER: City of Anoka residents receive curbside recycling service through Republic Services®, regardless of which licensed garbage and yard waste disposal company you choose. This lowers truck traffic by having uniform recycling service throughout the city. Republic Services® will provide recycling service on your scheduled hauling day unless a Republic Services® recognized holiday falls on a service day. In this case, recycling will be shifted one day later that week. The recycling service schedule is included on the next page.

WHAT IS SINGLE SORT RECYCLING? Single Sort allows you to place all of your recyclable materials in one cart...no sorting needed. Materials will be sorted at the recycling facility. Simply place all recyclable items loose (see “yes” chart on back) in your recycling cart. It’s that easy! PLEASE, DO NOT PUT PLASTIC BAGS IN THE RECYCLING!

SINGLE SORT ADVANTAGES
- Wheeled carts offer the ease of rolling it to the curb.
- Carts with lids protect recyclables from the weather (wind, rain, snow, etc.).
- This system limits hauler traffic in your neighborhood.
- Additional or replacement cart available by request at no additional fee.

For questions about single sort recycling, service concerns, or to request a new or additional cart, please call Republic Services at 952-941-5174.

Contact the City of Anoka recycling manager with general recycling questions at 763-576-2725 or by email: pbowman@ci.anoka.mn.us.

APARTMENT RENTERS: Please contact your building manager for the location of recycling containers on the property.
Please do not bag your recyclables!
